Re: Incorrect Enrollment of Exempted Recipients in the Patient 1st Program.

The Agency has identified recipients that were enrolled in the Patient 1st Program that should be exempted from the Patient 1st Program. These are foster care children, persons in the custody of DYS and group home residents.

The Agency has identified these recipients and has taken action to remove their Patient 1st enrollment and prevent future enrollment.

If your recipient or patient received an enrollment letter and they should not have been enrolled, please verify eligibility to see if their enrollment has been removed. If they are still indicated enrollment, please contact Amber Gladson at (334) 353-4301.

As new patients are identified that should be exempt from Patient 1st, please follow the current procedure of notifying the Alabama Medicaid Agency via EDS fax number (334) 215-4140.

If you have any questions concerning these discrepancies, please contact Paige Clark at (334) 242- 5148 or Gloria Wright at (334) 353-5907. You may also contact them via email using the following addresses: paige.clark@medicaid.alabama.gov or gloria.wright@medicaid.alabama.gov.
